September 2014

Dear Merchant,

Once again, the St. Joseph by-the-Sea Family Association will sponsor its Annual Father-Daughter Dance on Saturday, November 22nd in the school's gymnasium. Given the enthusiasm of our Sea family and supporters, we anticipate another sellout affair with 300 students and their parents attending.

The generous support of our many friends in our community, such as you, will help ensure the success of this event, whose proceeds go directly to the school for our students. In this regard, we would deeply appreciate your participation as a sponsor through the contribution of a gift, gift certificate, or monetary donation that will be used as a raffle prize the night of the dance. We intend to honor each contributor by publishing their names on a flyer that will be provided to each of the guests.

Thanking you in advance for your friendship, generosity and continued support.

Sincerely yours,

Father Michael P. Reilly
Principal
